PERSONALITY QUIZ

Your answers will be used privately by Cosmic to generate insights about you and potential matches.

What do you like to do for fun?

I binge Netflix series way too much. 🍿 Love trying out new brunch spots on weekends, and sometimes I'll hit up a yoga class or hike with friends.

What's most important to you in life?

Family over everything, always. ❤️ Personal growth is big for me, and I try to stay true to myself – not always easy with social media pressure and all.

What are your dreams for the future?

I'd love to travel more, maybe live in another country for a bit? start my own business or something that lets me be creative. Deep down, I kinda hope for a cozy home with someone who gets my quirky side, lots of plants, and maybe a dog? Would be cool if they're also into up for random road trips.

20:47

Let's do lunch on Sunday.

20:50

I can't on Sunday. But I can on Saturday. We could go to the cinema after.

20:55

Ok, then, sounds good. I'll pick you up at 2 on Saturday.
